Re: Moose Hide Campaign acquires awesome new team member

On behalf of the Moose Hide Campaign Development Society (MHCDS), I am very pleased to announce that Mr. Brian Jackson has joined our staff team as our Outreach and Operations Manager, National Capital Region. Brian comes to the Moose Hide Campaign team with a tremendous amount of experience both in working with Indigenous organizations at a national level and in engaging with the federal government on a range of issues. He also comes with a deep understanding of Indigenous community development issues.

Flowing from this broad range of experience and understanding, Brian has expressed a strong interest and a deep commitment to advancing the mission of the Moose Hide Campaign which is to end violence against women and children.

The Moose Hide Campaign leadership team is thrilled to have Brian join us and we look forward to the important work ahead. He will be working at our national Moose Hide Campaign office in the Ottawa Impact Hub located at 123 Slater Street – 6th floor.

On behalf of the Moose Hide Campaign Development Society, I would also like to express our sincere gratitude to the Government of Canada for providing the enabling resources necessary to advance this important work across the Federal public service.
