Dear Omar:

Simon Fraser University (SFU) is pleased to join many other Canadian post-secondary institutions that are part of The Ambassador Campus Initiative which aims to end gender-based violence by creating safer campuses and communities across Canada. By doing this we demonstrate our ongoing commitment to the Truth and Reconciliation Commission (TRC) Calls to Action, the UN Declaration on the Rights of Indigenous Peoples (UNDRIP), and the Missing and Murdered Indigenous Women and Girls Inquiry (MMIWG) Calls for Justice. We look forward to participating in the annual event and promoting dialogue to raise awareness about gender-based violence and inspire collective action.

Please note that I will be your main contact at SFU. I will be working with a number of my colleagues across our three campuses to ensure the SFU community participates in The Ambassador Campus Initiative in a meaningful way.

Thank you for reaching out to SFU. We look forward to a successful partnership that will make safer campuses and communities across Canada, a reality.

Sincerely,

Sobhana Jaya-Madhavan
