RE: Moose Hide Campaign Ambassador Campus at Nicola Valley Institute of Technology

To whom it may concern,

Nicola Valley Institute of Technology is pleased to express its support in becoming a Moose Hide Campaign Ambassador Campus. We have participated in the campaign for the past several years.

The Moose Hide Campaign serves an important need in our community and all across Canada because violence against all women and children is a significant problem with profound impacts.

Participating in the Moose Hide Campaign has benefited our community, and the individuals we serve by encouraging and empowering people – particularly men and boys – to discuss violence against women and children, and by providing accessible avenues to stand up and take action in the effort to end violence.

Participation in the Campaign is easy and accessible, with Moose Hide patches provided free of charge as well as education and outreach support from Campaign leaders. As part of our involvement in the Moose Hide Campaign, we have organized and hosted gathering ceremonies, walks, prayer circles, smudging and workshops.

To date, a large portion of Nicola Valley Institute of Technology and the community we serve have participated in and benefited from the Moose Hide Campaign. Nicola Valley Institute of Technology has received and distributed over 100 Moose Hide patches. Members of Nicola Valley Institute of Technology also participated, and again plans to participate, in the Day of Fasting in support of the campaign.

We will continue to show our commitment to stand with the Moose Hide Campaign as it has proven to be a valuable, practical, and effective way for our organization and members of our community to get involved in and strengthen the movement to end violence against women and children in Canada. We look forward to completing the *Annual Action Inventory* for the *Ambassador Campus Initiative* and joining post-secondary campuses all across Canada in taking a stand to end violence.

We commit to standing up against violence towards women and children within our institution and in Canada.

Please don't hesitate to contact us if you have any questions.
