Moose Hide Campaign – Application to become a Post-Secondary Ambassador Institution

Dear Campaign Leaders,

My name is Christine Damphousse and I work as the Administrative Officer for Community Development at Assiniboine Community College. I am writing to express our interest in becoming an Ambassador Institution for the Moose Hide Campaign, which aims to end violence against women and children. As an institution, we work closely with many First Nation communities in Manitoba and we feel that participating in this campaign is a small way we can offer our support.

We will encourage everyone at our institution, including staff, faculty, students, and administration, to complete the online pledge to show our support. We believe that participating in the Moose Hide Campaign will benefit our institution and the communities we serve by empowering people, particularly men and boys, to discuss violence against women and children and by providing accessible avenues to take action.

We are committed to showing our support for the Moose Hide Campaign and joining post-secondary campuses across Canada in taking a stand to end violence against women and children. We look forward to completing the Annual Action Inventory for the Ambassador Campus Initiative and contributing to the movement to end violence.

If you have any questions, please don't hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Damphousse".

Christine Damphousse
