

GENDER-BASED VIOLENCE IN CANADA

The Moose Hide Campaign recognizes that all forms of violence are unacceptable, regardless of gender. We see the disproportionate number of women who are victims and the importance of engaging men and boys in addressing this issue. We also know that “shame and blame” isn’t the answer.

- Every 2 days, a woman or girl is killed in Canada (Canadian Femicide Observatory for Justice and Accountability, 2022).
- Indigenous women and girls are 12 times more likely to be murdered or go missing than non-Indigenous women (National Inquiry into Missing and Murdered Indigenous Women and Girls, 2019).
- In 2018, 44% of women reported experiencing some form of psychological, physical, or sexual violence by an intimate partner in their lifetimes (Statistics Canada, 2021).
- Indigenous women are 3.5 times more likely to experience Intimate Partner Violence than non-Indigenous women. (Canadian Femicide Observatory for Justice and Accountability, 2024).
