Subject:	Call for Moose Hide Campaign Stewards
Attachments:	Moose Hide Campaign Background

Dear colleagues,

The << insert organization name >> is supporting the Moose Hide Campaign this year on May 20. As an organization, we are proud to partner with the Campaign and stand up to end violence towards women, children and gender diverse people.

As executive, we can all demonstrate our commitment to reconciliation and ending gender-based violence through visible executive leadership and actions like wearing a moose hide pin year-round, participating in Moose Hide Campaign Day, and encouraging employees at all levels to do the same.

Volunteering as a Moose Hide Campaign Steward demonstrates strong leadership and commitment to reconciliation and can make a significant impact to end Indigenous-specific racism and contribute to social and cultural wellbeing.

Please consider learning more about how you can be involved leading up to and on Moose Hide Campaign Day by signing up for the Community Stewards training and emailing << insert organization contact >>.

For more information about the Moose Hide Campaign, visit the [Moose Hide Campaign website](#). Thank you for your continued support of the Moose Hide Campaign.

Sincerely,
[Executive Name]
